
INVITATION AND INSTRUCTIONS TO AUTHORS

We invite all interested authors to submit their papers related to areas of research in social sciences, provided that the same paper has never been published before in other journals. The time limit set for receiving the completed paper for the first issue is **April 1**, and for the second is **October 1**.

The papers to be published in the journal CIVITAS are limited in length from 10.000 to 25.000 characters; longer works will also be considered, written in Times New Roman (font) 12 pts., and one-and-a-half spaced.

The text should be submitted as Word document (.doc).

The papers should be written in **English** or **Serbian**, with abstracts, key words and title both in **English** and **Serbian**. In case the paper is submitted by a foreign author only an abstract in English should be added.

The authors should submit their papers in electronic form via the internet page of the journal <http://www.civitas.rs>. When submitting, it is necessary to attach the Statement concerning originality of the work.

The publishing of the work is free of charge.

An author can publish only one paper per annum in the journal. Two positive reviews by anonymous reviewers and their references for publishing are required for the paper to be published.

The author will receive a copy of the journal in which his/her paper is published.

The editorial board of the journal reserves the right to adapt the text to unifying editing standards as well as accepted conventions of usage and orthography in the English and Serbian language.

FORM AND STYLE

All the papers submitted should begin by stating (in the left upper corner) **the last name and the first name** of the author in Times New Roman 12 pts. In the footnote introduced by an asterisk for every author his/her degree, institution where he/she works and contact data should be given in Times New Roman 10 pts.

The title of the paper in capital (upper-case) letters, in bold, should be written in the middle (Times New Roman 14 pts.)

Before the main body of the text a short **abstract** (summary) in length up to 8 lines should be given with **five key words** single spaced in font 10 pts.

The subtitles should be written to the left on the page in lower-case letters and must be marked with numbers (e.g. 1., 1.1, 1.2, 1.2.1). The paragraphs (1., 2. etc.) are separated from the preceding ones by a blank space, and the paragraphs (1.1, 1.2 etc) by a 6 pts space.

The text is to be written in Time New Roman 12 pts and should contain the aim of the work, methods applied, the results obtained and the conclusions. At the end after the conclusion **references** should be listed.

After the references list, **the title of the paper, a summary and key words** should be written in English, if the text is in Serbian, or in Serbian, if the text is in English. The title is in bold upper-case letters, Times New Roman 14 pts, the summary and key words in Times New Roman 10 pts.

In case the paper contains footnotes (elucidating remarks added to the text), these should be written single spaced in 10 pts font. The footnote *does not contain* the citation of sources, since in accordance with the *APA style* they are integral part of the text.
